

Nikoloz Tchavtchanidze

Hi, I am Nikoloz Tchavtchanidze, Front End Developer from Tbilisi, Georgia.
About 2 years ago I started studying Front End Development. Shortly after graduating, I started working remotely in Prague for *Web Technology S.R.O* as a *Front End developer*.

At the same time, I started studying Javascript and in a few months I started working at the *Ministry of Education, Science, Culture and Sports of Georgia* as a Front End developer. I was also a *Junior Front End Lecturer* at *Geolab*. I am currently studying React.js and it works quite well.

Personal Skills:
Sociable, responsible, ability to work in a team, Orderly, development-oriented.
